

## BOLOGNA AWARD

Michelangelo Pistoletto and Maria Pioppi launch an award for six students, offering a trip to Bologna to join Michelangelo's talk on "Ethics, Politics and AI" and see [his exhibition at Palazzo Bentivoglio](#) , the next 20-21 April 2026.

—

To select the participants, Accademia Unidee invites its students to take part in an open call for the creation of original posters.

This initiative aims to explore the poster as a medium of artistic expression and communication. Through this call, **students are invited to translate the identity, values and vision of Accademia Unidee into a visual form.**

The poster becomes a space for experimentation: an image capable of communicating ideas, generating dialogue and reflecting on the role of art in contemporary society.

---

### WHO CAN PARTICIPATE

The call is open to **all students of Accademia Unidee.**
